RE: Request for Additional Information dated January 9, 2013.

The discussion below provides the additional information you requested.

Arnold Felix contributed \$2,500.00 to the Primary election on 5/24/2012 and \$2,000.00 on 6/4/2012 to the Primary election. His contribution on 6/4/2012 for \$2,000.00 was not re-attributed within the time frame allowable by federal election law. Therefore, he was refunded \$2,000.00 on 9/12/2012.

Stuart Weissler contributed \$1,500.00 to the Primary elections on 4/12/2012, and again to the Primary elections for \$2,500.00 on 8/10/2012. Therefore, he was refunded the \$2,500.00 Primary election contribution on 8/23/2012. However, at the end of the month it was discovered that Stuart Weisslers \$2,500.00 check on 8/10/2012 had been returned NSF. Shortly thereafter, the Committee requested he return the refund check or issue a new one. Mr. Weissler did not respond to that request. The effects of this have been reported in the amended filing.

Please contact me with any questions.

Dan Puhl  
Committee Treasurer
